

The FOUNDATION Series

Like foundations of historic buildings that have been designed to last over the centuries, OMNOVA Solutions can help bring strength and stability to the manufactured housing and RV industries. As a publicly traded company, OMNOVA's financial condition and performance is transparent and available to you through quarterly earnings releases and public announcements. We are committed to be your long-term supplier of value-added decorative laminates. Our long-standing commitment to design, service, quality and innovation serves as the foundation for future growth.

Our value is expressed to you in *The Foundation Series*, the latest introduction in the **Design4™** Collection.
